Was für die Xbox360 die Achievements bzw. Erfolge sind, das sind für die Playstation 3 die sogenannten Trophies - Punkte bzw. Titel, die sich der Spieler durch das Erfüllen von verschiedenen Aufgaben erarbeiten kann. Auch in Tom Clancy's Vision des dritten Weltkrieges, soll es Trophies geben. Welche Titel genau sich die virtuellen Generäle erstreiten dürfen und welche Voraussetzungen erfüllt werden müssen, verriet nun das britische Online Spielmagazin PS3Fanboy .

In unserer Galerie befinden sich nun auch diverse brandneue Screenshots.
